

Remarks

Claims 1-64 are pending in this application. Claims 21-40, 52, 53, and 60 have been allowed. Claims 1-20, 41-51, 54-59, and 61-64 stand rejected.

To advance prosecution, rejected claims 1-20, 41-51, 54-59, and 61-64 have been canceled without prejudice. New claims 65-87 have been added that are essentially identical to the allowed claims except that the caller is being identified rather than the recipient. As in the allowed claims, a third party is notified and prompted to accept or reject the video communication request. The applicants assume that this was the feature deemed allowable by the Examiner because it is found in all of the allowed claims.

Accordingly, the applicants respectfully submit that all claims are in condition for allowance. A Notice of Allowance is respectfully requested. The Examiner is invited to contact the undersigned at the telephone number listed below to discuss any remaining issues.

Respectfully submitted,

Digeo, Inc.
